#### Conclusion

#### 1. Introduction

### **About BBTF**

The BBTF whitepaper outlines a groundbreaking Meme-killer project, strategically positioned at the forefront of the crypto landscape. As the world awaits the SEC's decision on Bitcoin ETFs, BBTF aims to redefine the narrative by offering a Memecoin with tangible utilities and use cases.

### The BlackRock Influence

BlackRock, a financial powerhouse since 1988, is leading the charge in integrating digital assets into traditional finance. BBTF draws inspiration from BlackRock's commitment to the transformative potential of cryptocurrencies.

# **BBTF Advantage**

BBTF offers a suite of features, including an exclusive NFT marketplace, staking rewards, access to Al-generated NFTs, and the opportunity to trade BlackRock Bitcoin ETF for additional staking rewards.

### 2. Utility

- ★ Exclusive Marketplace for NFTs: BBTF introduces an exclusive marketplace for NFTs, creating a space for Al-generated and promising Meme artists to showcase their creativity.
- ★ Staking and Rewards: Participate in the BBTF ecosystem by staking your tokens and earn rewards. These rewards will be used to buy more tokens, creating a sustainable and thriving community.
- ★ Access to Al-Generated NFTs: Token holders enjoy exclusive access to Al-generated NFTs, combining cutting-edge technology with the creativity of the meme world.
- ★ Blackrock ETF Trading Rewards: BBTF holders can use their tokens to trade the Blackrock Bitcoin ETF, and the profits will be shared as staking rewards, providing an additional layer of utility.

### 3. Tokenomics

### Liquidity

40% of the token allocation is dedicated to liquidity, ensuring stability and accessibility in the market.

#### BlackRock ETF

Allocate 17% to BlackRock ETF, aligning with our mission to support and benefit from the growing acceptance of digital assets.

### **Development & Marketing**

19% is allocated to development and marketing, ensuring continuous innovation and global outreach.

#### Team

1% is reserved for the team, aligning incentives for long-term success.

#### NFT & Rewards

15% is dedicated to NFTs and rewards, fostering community engagement and participation.

# Airdrop

5% is allocated for a strategic airdrop, expanding our community and creating buzz.

# Early Adopters

3% is reserved for early adopters, recognizing and rewarding those who join the movement from the beginning.

# 4. Rallying for SEC Approval

# Global Appeal

By extension, BBTF is rallying global support for SEC approval, recognizing the importance of regulatory compliance in the crypto space.

# **Community Strength**

Our community is our strength. Together, we're building a movement that transcends borders and unites individuals with a shared vision.

### 5. Conclusion

BBTF is not just a token; it's a vision. Join us as we redefine the future of memecoins, breaking barriers and embracing a new era of crypto with real-world applications. This whitepaper has therefore provided a comprehensive overview of BBTF, its utility, tokenomics, and the broader context of rallying for SEC approval and aligning with the Bitcoin ETF event.
